Joe also reported that he called Greco and pledged \$20 to the flag project. Wonderful! Joe Pascoe is so good about such things. He is always right in there with the necessary support -- moral and financial. I told Greco that I would mention the flag idea to others and have them get in touch with him if they were interested in supporting the project. That being the case, Greco ^{was} doubtless pleased when he got the call from Joe Pascoe. The flag project should be a very easy one to accomplish, and one that will be applauded by everyone. The flag project, plus the Ceremony in Maplewood, ought to make the Fourth of July quite memorable.
